

## SKOPE CLASSIC 2017 ENTRY LIST BY CLASS

Below is the entry list by class for the 2017 Skope Classic.

With the overwhelming entry numbers for this years event, we are unable to take requests prior to the event to move class.

These classes are final until qualifying has been completed and requests to move class, will only be considered in the interests of safety and must be done on the appropriate form, available at the CRO's Office after qualifying. They will then be passed on to the Skope Selection Committee for consideration. The spirit of this event is to enjoy classic racing, so we have invited you to race in the chosen class, as we feel it's the right fit for your vehicle and will provide some great racing for the spectators to watch. Change of class will only be considered for safety reasons, not because you are mid pack in your invited class, but you'd prefer to be a front runner in a different class.
