

Registration of Interest to participate at the SKOPE Classic on 4,5,6 February 2022 at Mike Pero Motorsport Park – Ruapuna, Christchurch.

The Canterbury Car Club invites interested parties to make application to enter the 2022 SKOPE Classic Race Meeting. This is an annual **invitation event** for drivers who are currently involved in Historic and Classic Car racing. This is **NOT an entry form**. It is an application by you, to have you and your car considered as entrants. Please note that over 300 competitors have been invited to each year's event. We give preference to competitors who have previously competed at this event (in the same vehicle) and cars with a current MSNZ COD. It is envisaged that there will be limited places available in all classes. All forms will be responded to within two weeks of the application being received.

Photographs of the car will need to accompany this application. We require an exterior photograph, showing the livery it would appear at the SKOPE Classic if accepted. Advertising on classic race cars is limited to a total area of .24 square meters (2 times 600mm by 200mm) unless it is a genuine factory car in original livery. Also required are interior and engine bay photographs.

No photographs = no further action by the organisers.

Please provide more information as to what makes your vehicle special and reasons why the Skopec Organising Committee may want to consider inviting it. Is it original or a replica? Does it have a factory gearbox or similar, representing the same number of gears the original had? Are the modifications period correct or more modern??

For your Registration of Interest to be considered, you must provide as much information as you possibly can about the car and why you think it would make a great addition to the 2021 Skopec Classic Event.
